

Space Markers

communicate:

- New walk patterns
- Appropriate social distancing

Material: Non Woven Fabric

- Moisture Barrier Backing
- 100% recycled topcloth with antimicrobial protection
- Repositionable Adhesive Non-skid backing

Adhesive Backing
Low Profile Design

- **Provides Clear Direction** - Universal “stop sign” shape with shoe prints marks where customers should stand; mats can be placed at safe intervals in virtually any configuration.
- **Stays in Place** - Adhesive backing keeps the mat flat and in place, even with heavy cart and buggy traffic.
- **Hassle Free** - Mats can be left in place during daily floor cleaning; floor scrubbers, mops, and brooms will pass right over them without causing damage.
- **Won't Leave Residue** - Space Markers are less likely to leave a sticky residue than floor decals.
- **Odor Resistant** - Anti-microbially treated for protection from odors.
- **Slip Resistant** - Low-profile high-traction surface provides additional traction and slip resistance.

Available Sizes:
Packed 6 to a case
